Introduction

E-CAT takes your privacy seriously and we handle your information with care.

This Privacy Policy applies to the Eastern Community Assistance Team, Trustees, Committee Members, Members and support volunteers which consists of the membership lists, training records, email addresses and both telephone and mobile numbers and various supporting websites, together with other interactions including support queries.

If you do not agree with the terms of this Policy, do not access or use the Eastern Community Assistance Team.

Information Eastern Community Assistance Team Collects and Receives

Eastern Community Assistance Team may collect personal information as you join or via continuing membership. You are under no contractual obligation to provide any information. However, some information is collected automatically, and if some information is not provided we may not be able to provide the Service.

Membership Account

When you register with Eastern Community Assistance Team we collect your email address, contact numbers, and/or a Facebook account details. You will be given a response vehicle identification number for example EC34 (Echo Charlie Three Four). This number is also used as a call sign. We collect this to uniquely identify you within the Eastern Community Assistance Team, enabling you to support our activities. sign in and use the website. We do not share your information. If you resign from the group your information is deleted.

You may choose to personalise your account (Profile) by entering your name, providing a photo, entering descriptive text, gender, birthdate, town, and providing information on your interests. If you register with Eastern Community Assistance Team using a third party account service such as Facebook or Google, and you authorise those services to provide it, we may also collect your name, photo, gender and town.

Training records indicating driving skills, training received and ability of driver and vehicle, your vehicle identifier will be used to protect your privacy.

Call outs

Eastern Community Assistance Team identifies your mobile callsign using an identifier unique to Eastern Community Assistance Team, which is reassigned if you cancel your membership.

Eastern Community Assistance Team also collects the name, model and operating capability of your vehicle. This is to enable us to identify the support you are able to provide, to assist us when communicating with you, and to link with the correct task and equipment required.

This information will included recording mileage on E-CAT business (a recorded journey, a history of positions and times and miles covered)

Content

You may choose to create a membership account within Eastern Community Assistance Team on joining.

This information will included contact details for example email address, phone numbers adding a photograph for ID Cards.

You can choose to publish a facebook comment, in which case it becomes public, and other people can view or download a copy.

If you use radio communications, your live locations are received and stored in Eastern Community Assistance Teams log, these will

not be shared only your vehicle identifier for example Echo Charlie 34.

Log data

As with most Internet-delivered services our servers automatically collect information when you access the Eastern Community Assistance Team, and record it in log files. The log data may include the Internet Protocol (IP) address; the addresses of both the page visited and the previous page; detail of the service used; browser or device type and settings; date and time the services were used; information about the browser or device configuration; language; and cookie data. This log information is retained for up to 8 weeks, after which it is destroyed.

If the application encounters an error where it closes unexpectedly (a crash), we may record a crash log - you can opt out of this in the Eastern Community Assistance Team application's Privacy Settings.

Service Access

We record the dates on which you attend call outs, and the method and time of last access. This is anonymously aggregated for us to monitor and report on the usage of the service. Individual records of last access may be used when answering support queries, and may also be used to determine when to communicate with you.

Social Media

You can choose to follow another user, in which case you see the content they choose to share in your personalised activity feed, and that you follow them is visible to them and others. Another user may follow you and thus see the content you share in their own feed. You can rate and review activities that you have followed. When you leave a review, other users can read that and see that it was you who posted it.

Cookie Data

Eastern Community Assistance Team uses cookies in our websites to give you a consistent experience as you use the website, and to identify you while signed in to your account. Additionally cookies assist in providing analytics to understand how the service is used in order to make improvements.

Third Party Services

You may choose to link Eastern Community Assistance Team with other accounts, such as Google, Flickr, Twitter, Instagram, Facebook, Dropbox, and Walking World, because you wish to benefit from the services they provide.

If you link your Eastern Community Assistance Team account with a third party service, the data you enter to link the service, such as an account name, will be used to access content or services from that third party service.

Where the link provides media such as photos and tweets, those will be marked and visible on your public tracks.

Your use of those third party services is covered by the privacy policies of those services.

How We Use Information

We use your personal information to provide the Eastern Community Assistance Team committee with adequate knowledge to be able to run the charity and its undertakings.

We store your details so you can access it across your devices and via the website. You can choose to share it with us and others if you make it public.
